### FUEL YOUR INNOVATION JOURNEY BEFORE THE DOORS AT THE HYDROGEN TECHNOLOGY EXPO EUROPE OPEN

Join us for an exclusive breakfast & networking event for selected innovation thought leaders to discuss the innovation potential in new energy initiatives around the world.

Focus topic:

**How can corporations and institutions use innovation to boost New Energy Initiatives?**

With a croissant and coffee in hand, you will:

- Meet international thought leaders from the energy sector
- Forge valuable connections with global innovation enthusiasts
- Ignite new possibilities for your company's growth by learning from other corporations' success stories

Don't miss this invitation to kickstart your day with innovative ideas, brought to you by:

**PLUGANDPLAY HAMBURG**
